# Language UNLEASHED

## Rule Sheet: Irregular Plurals

When we have more than one of something, we need to change the word.

dog → dogs

cat → cats

Sometimes, we just use a 's' or 'es' sound on the end. This is the **regular** pattern.

But lots of words don't follow this pattern. They are **irregular**. Because they don't follow the pattern, irregular words can be trickier to learn.

This program shows how to say that there is more than one, for lots of **irregular words**.

## Rule Sheet - because

### Joining words

We use joining words when we want to link two ideas together. It helps our sentences sound better. They are not so short and choppy.

We use **because** when we want to give a reason for something happening.

I am tired **because** I stayed up late last night.

I am having a party **because** it is my birthday today.
